APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the description of the point of diversion under application and permit No. 10525 is issued with the understanding that no other rights on the source will be affected by the change proposed herein. It is understood that accurate measurements of the water placed to a beneficial use will be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed two (2.0) cubic feet per second.

Actual construction work shall begin on or before June 1, 1942.

Proof of commencement of work shall be filed before July 1, 1942.

Work must be prosecuted with reasonable diligence and be completed on or before June 1, 1944.

Proof of completion of work shall be filed before July 1, 1944.

Application of water to beneficial use shall be made on or before June 1, 1945. Proof of the application of water to beneficial use must be filed with State Engineer on or before July 1, 1945.

WITNESS MY HAND AND SEAL this 23 rd day

of December, 1941

Proof of commencement of work filed AUG 19 1942

Proof of completion of work filed DEC 7 1943

Final Map Filed April 17, 1945

Proof of Beneficial use filed APR 27 1945
